## **From Our Interim Pastor:**

As another school year wraps up and summer begins, we want to say congratulations to all of our graduates! We are proud of you and praying for the next season God has for your life.

We also want to thank all of our teachers, administrators, and school staff for the hard work and care you've given throughout the year. Your investment in students truly makes a difference.

We are thankful for the ways God continues to strengthen our church family. One great encouragement has been seeing Wednesday nights grow into a true family night with focused teaching for children, youth, and adults. It's exciting to see every generation growing together around God's Word.

Church membership is more than just a name on a list — it's people worshiping, serving, growing, and doing life together. Thank you to everyone serving in so many different ways throughout our church. We are especially thankful for our musicians and worship team members who have stepped up and served faithfully.

As we head into summer, we still need help with VBS and opportunities to serve in both children's and youth ministries. If you can help with youth, please connect with Tyler. If you'd like to help with children's ministry or VBS, please see Olivia.

Thank you for being such a loving and faithful church family. We are excited to see what God has in store this summer!

## SANCTUARY CHOIR

Our music program continues to be a beautiful and vital part of our worship here at Immanuel. God has gifted so many in our church with musical talent, and we are all blessed as they use their talent for the glory of the Lord. We are grateful for the dedication of each person serving in any capacity in our music ministry. We have recently welcomed some new members to our music ministry and would welcome any others who would like to invest their talent in serving God through music.

Our Sanctuary choir meets for rehearsal on Sunday afternoons from 3:30 - 4:30 in the sanctuary. This is not only a time of rehearsal, but it is also a time of worship and fellowship.

If you have ever considered serving in our music ministry, please do not let another week pass without giving it a try.

Come join us and prepare to be blessed as you bless others with your talent.

Music Ministry

We currently have opportunities to help in both children's and youth ministries. If you can help with youth, please contact Tyler, if you can help with children, please contact Olivia. If you haven't had the opportunity to help with our children and youth, please pray about it, we could really use your help. This is a great time to get involved as these groups are growing.
